ARCHITECTURAL

ARCHITECTURAL PRODUCTS
BRASS, BRONZE, STAINLESS STEEL & CHROME

McMurray Metals Co.

is your Texas distributor of quality architectural products.

Items listed in this catalog are primarily available in brass, bronze, stainless steel and chrome. Some are polished, some are not. Polishing services are available upon request. Alloy and finish options specific to each item are listed on the product's page.

We provide custom processing services to deliver the sizes and quantities you need. No job is too large or too small. Professional courtesy is extended to all our customers whether they be builders, contractors, designers or do-it-yourself home decorators.

Let McMurray Metals help cut your project down to size. Call the distribution center nearest you for price and processing information.
